KEY INGREDIENTS	<ul style="list-style-type: none">• 1 Carat Finely Milled Diamond• Jojoba Esters• Silk Amino Acids & Proteins
KEY BENEFITS	<ul style="list-style-type: none">• Gently exfoliates dead skin using finely milled diamonds• Erases damaged skin, fine lines, and wrinkles• Enhances the skin's natural luminosity
DESCRIPTION	Achieve spa-level skin care results without ever leaving the comfort of your home. Our Diamond Dust powder is unlike any other exfoliator, featuring stronger-than-typical properties to give you that microdermabrasion experience. This powerful dust will erase signs of sun damage, such as fine lines and wrinkles while enhancing luminosity for a glowing complexion like no other. Embrace nature's strongest element with our diamond dust — say goodbye to aging and hello to beautiful, radiant skin.
HOW TO USE	2-3 times per week, massage a small amount in a circular motion over damp skin. Rinse. Follow with serum and moisturizer.
TEXTURE/COLOR	A full-bodied cream with a pale gray color and a pleasant aroma.
SIZE	1.5 oz nt wt / 42 g
