

<b>PRODUCT NAME</b>	<i>C60 Moisture Recovery</i>
<b>KEY INGREDIENTS</b>	<ul style="list-style-type: none"><li>• C60 Fullerenes</li><li>• Hyaluronix®</li></ul>
<b>KEY BENEFITS</b>	<ul style="list-style-type: none"><li>• Fights oxidative damage and the future signs of aging.</li><li>• Works at different layers of the skin for deep hydration</li><li>• Helps maintain that youthful complexion</li></ul>
<b>DESCRIPTION</b>	Transform your skin with this luxurious, lightweight cream that works to hydrate and visibly soften rough patches. Infused with Shungite C60 Fullerenes for superior protection against premature aging - studies have shown it can be up to 100x more effective than Vitamins E & C! This powerful antioxidant can neutralize free radicals in the skin by forming a covalent bond which strengthens its natural protective barrier. Pamper yourself today and discover a smoother, softer complexion from just one application of this amazing moisturizing solution!
<b>HOW TO USE</b>	After cleansing, pat skin dry. Use serum if desired. Next, massage a small amount over the face and neck until absorbed.
<b>TEXTURE/COLOR</b>	Lightweight lotion with a hint of gray hue, light pleasant vanilla background note.
<b>SIZE</b>	4 oz nt wt / 113 g
