KEY BENEFITS	<ul style="list-style-type: none">• Firms from the neck down• Reduces the appearance of fine lines• Supports healthy collagen levels
DESCRIPTION	<p>Collagen is a glue that helps the body maintain its shape and structure by binding tissues and cells. By the time we reach 50, our bodies create 50% less collagen. This multi-action full-body spray was crafted with a unique delivery system that utilizes advanced peptides and soluble collagen proteins that work synergistically with your skin cells for optimal results. With just two or three uses per week, you will visibly see an increase in firmness and smoother textures, creating a youthful appearance all over your hands and body. The increase in collagen levels will result in a visible reduction of fine lines and deep wrinkles.</p>
