KEY INGREDIENTS	<ul style="list-style-type: none">• Biomimetic Suspension• Niacinamide• BotaniCell Green Tea
KEY BENEFITS	<ul style="list-style-type: none">• Targets uneven skin tones, discoloration, and dark spots• 553% improvement in skin brightness• 91% of participants reported brighter, more radiant skin
DESCRIPTION	An innovative and revolutionary 3D biomimetic formula combines Stem Cells, Growth Factors, Cytokines, Amino Acids, Proteins & Vitamins to target uneven skin tones and dark spots. This breakthrough formulation has proven results of up to 553% improvement towards brighter skin over 28 days with 90.6 % more radiant complexions due to a 100% increase in overall texture restoration - unlocking the ability for your own body's extracellular matrix to rejuvenate naturally. Experience brighter, more vibrant-looking skin today with our advanced zero-gravity solution designed to help restore a youthful glow from within.
HOW TO USE	After cleansing, pat skin dry. Massage a small amount around the face until absorbed. Follow with moisturizer.
TEXTURE/COLOR	A medium viscosity serum with a light fresh cucumber scent.
SIZE	1 fl oz / 30 mL
